

What to do with your unwanted bike?

Why not give it a new lease of life and donate it to...

The Wheelie Great Bike Shop

BCHA's social enterprise working with the homeless in the community, opening in 2011.

WGBS accept used bicycles and parts, no matter what the condition. We will fix them up, strip them down for parts, or recycle the material to help reduce landfill sites.

We rely on your donations to keep our wheels in motion. So please keep us in mind when you are clearing out your garages and sheds for unwanted bicycles and parts.

WGBS aim to recycle bikes for others to use in the community. That cobwebbed old Raleigh of yours can be fixed by us and become an affordable bike for a new generation of cyclists.

Your unwanted bike will provide BCHA residents an opportunity to learn new skills, producing a cost effective and healthy form of transport.

To find out more about **WGBS**, arrange a pick up or drop off your bike, then please visit our website: www.bcha.org.uk or contact 01202-802040.

RECYCLE TO CYCLE
